Please let me know about your questions, suggestions, critics (useful ones, please), comments, informations, data, anything... I do reply to emails. Sometimes.

## Contact form

Contact form is currently disabled, there is no plan to make it available again, sorry...

Should you need to contact me for professional matters, please go the [french homepage](#) and get my electronic business card (**not fluent in french?** Click on the small greyed-out UK flag on top of french homepage, you'll get an automated translation).
